

# Engineering with **LEGO STEM Programs** at the **Hanover Recreation.**

**Thursdays, Feb. 27th - Apr. 2nd, 2020**

**Winter Wonderland Challenge Engineering**

**w/ LEGO Materials**

(Ages 5-12) • 4:00pm - 5:30pm

*Get ready for the deep freeze this winter! Apply concepts in engineering and architecture to brave the challenges of winter weather. Design and build motorized contraptions such as snowplows, gondolas, and a snowball launcher with the guidance of an experienced Play-Well instructor and tens of thousands of LEGO® pieces.*

**Registration is NOW OPEN!**

**Location:** 15 North Jefferson Road, Whippany, NJ 07981

**Price:** \$115.00/ per student for the 6-week course

**Registration is taken at [play-well.org](http://play-well.org).**

**For more information please contact Matt Grubin at [matt@play-well.org](mailto:matt@play-well.org).**

Kids are already naturally gifted creators. Then they get added inspiration from our specially trained instructors. They dive into our massive collections of LEGO®. And while they build elaborate objects, structures and vehicles, they explore fundamental principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting. **Learn more at [www.play-well.org](http://www.play-well.org).**
