

SING AND PLAY

For a Child's Brain, Body, Heart, and Soul

**Join Instructor Cindy Dreispan at the
Hanover Township Community Center**

This music and movement filled class celebrates the unique joys of your growing child. Each week your child will love singing, dancing, and playing instruments with you and their new friends and you'll love helping them practice a wide variety of abilities such as gross and fine motor skills, turn-taking, social skills, and active listening. Each unit uses fun songs, rhymes, stories, vocal play, instrument play, and focused listening activities to explore a different theme.
