

“2018 Toys for Tots Program”

The U.S. Marine Corps Reserve collects toys each year and distributes them to underprivileged children throughout the Northern NJ area during the holiday season.

Hanover Township is again partnering with the U.S. Marine Corps Reserve, and would like to invite interested members of the public to take part in this worthwhile program. Anyone who would like to make a donation, can bring a brand new, unwrapped toy to any one of four collection bins in the following Town Hall locations: 1) General Office; 2) Police Department Lobby; 3) The Whippanong Library; and 4) Community Affairs/Public Policy Coordinator’s Office. The USMC Reserve will transport the toys to Picatinny Arsenal where they will later be distributed to churches, community groups, and

social agencies who will in turn give the toys to eligible families. **The deadline for participating is Wednesday, December 12th.**

Thank you for helping to brighten the holiday for a child this year!
