INFLUENZA SHOTS AVAILABLE TO HANOVER TOWNSHIP RESIDENTS

Influenza immunizations will be administered to Hanover Township's residents at the Hanover Township Community Center, 15 North Jefferson Road, Whippany as follows:

October 24	10:00-12:00pm
November 8	10:00-12:00pm

This clinic will be limited to Hanover Township's residents 6 months of age and older. In addition to our supply of traditional influenza vaccine we have a limited supply of High-Dose Influenza vaccine. The High-Dose vaccine will be offered to seniors, on a first come first serve basis who are 65 years of age and older and have Medicare B for regular.

No appointments are necessary. There is no cost to residents who have Medicare B. Remember to bring your new Medicare B card with you to the clinic. The cost is \$25.00 for anyone who does not have Medicare B for regular vaccine and \$40 for high dose.
