

Vascular Screening

Attend our comprehensive vascular ultrasound screening if you have any of the following risk factors:

- Over 55
- Smoked
- Have diabetes and/or high blood pressure
- Have family history of cardiovascular disease.

The screening will include:

- Carotid artery Doppler for carotid artery stenosis
- Aortic ultrasound screening for abdominal aortic aneurysm
- Ankle brachial index screening for peripheral artery disease

Immediate results will be given. A Vascular Physician will be available to counsel if necessary.

Date: Saturday, April 16

Time: 9:00am to 1:00pm

Place: Gagnon Cardiovascular Institute
Echo Cardiovascular Suite Level C
Morristown Medical Center
100 Madison Avenue
