*Certification of Application*

In consideration of such license, I hereby agree at all times to conduct the said premises and food and beverage vending devices in conformance with the provisions of the Food and Beverage Device ordinance, Food Handling Establishment Ordinances, other ordinances of the Health Department, the amendments and supplements thereto, and other ordinances of the municipality and Statutory laws of the State of new Jersey relating to the conduct of such business.

NOTE: Operators shall obtain approval of the Health Department before changes in the operation involving new types of vending machines, or conversion of existing machines to dispense products other than those for which the original license was issued. This regulation also applies to any changes of location of existing machines within this municipality, and any changes of commissary service, or transportation facilities.

This license, if granted, is issued upon the express condition that the same is subject to forfeiture or revocation in the event that the applicant or operator shall violate any of the agreements herein set forth.
