

NEWS RELEASE

RABIES VACCINATION CLINIC

The Township of Hanover Health Department will hold its annual Rabies Vaccination Clinic on Saturday, November 3rd, from 10:00am to 12:00pm. at the Cedar Knolls Firehouse located on Ridgedale Avenue in Cedar Knolls. Dr. Nate Clark of the Werner Animal Hospital will be administering the rabies vaccinations. All animals must be accompanied by an adult.

Please note that the vaccination given will provide one (1) year of protection for cats and dogs vaccinated for the first time and three (3) years for cats and dogs being revaccinated. Also, for pets which have already been vaccinated, the State Health Department advises that revaccinations be given every two (2) years to insure an overlap of immunity and prevent pet owners from missing the three (3) year revaccination date.

If you have any questions regarding the information provided above, please refer them to the Township of Hanover Health Department at 973 515-6667.
