The Environmental Commission had no comment with this application.

Old Business

- Plants at MetLife Building - R. Sarrel said he checked the blueprints and its close to the plans. R. Sarrel said there is no irrigation. Liaison asked how are they going to get their Certificate of Occupancy if the plants are dying. R. Sarrel said he had some questions from residents. 1) Is the berm supposed to be that high? Liaison Ferramosca said yes. 2) What is going on with the monument on Route 10? Liaison Ferramosca said he will check into it.

New Business

- Hanover Township Day – Saturday, September 10, 2016. Secretary Kraynak suggested to the commission if the commission would like to purchase caps to be given out at Hanover Township Day. Liaison Ferramosca thought it was a good idea but he didn't think we had the budget to purchase the caps.
- Bike Trail – Member Glawe asked about the bike trail connectivity plan? Liaison Ferramosca said that there is a bid for phase 1 Central Park to the Flintkote property. Liaison Ferramosca said that the county just put out the applications for grants. Liaison Ferramosca said you will be able to go from the Bayer property to the Frelinghuysen Arboretum.

Adjourn

- Secretary Kraynak asked at 8:15 pm if there was any further business if not is there a motion to adjourn the meeting. All members agreed to adjourn the meeting.
