

Milling has been completed.

Paving will be performed on November 9, 2018

All work is subject to change and WEATHER PERMITTING.

#### **MILLING ADVISORY**

Parking will be prohibited from 7:00 a.m. to 6:00 p.m. during milling operations but the streets will be open to local traffic only. There will, however, be considerable construction vehicle traffic and a rough road surface so please drive carefully through the area. After milling and prior to paving, please be mindful of raised manhole and inlet castings and use care entering and leaving your driveway due to the increased lip along the curbline.

#### **PAVING ADVISORY**

Parking will be prohibited from 7:00 a.m. to 6:00 p.m. during paving operations and the streets will be closed to all traffic. All cars must be removed from driveways and parked outside of the paving limits by 7:00 a.m.

#### **GARBAGE PICKUP**

Garbage pick-up will not be affected.

Please plan accordingly and check back often for possible scheduling changes. We greatly appreciate your assistance, cooperation and understanding.

Please plan an alternate route and if you must travel in the affected areas please plan for delays.
