The Township of Hanover is currently experiencing an unusual increase in burglaries to residences, automobiles, and storage sheds. Additionally we are experiencing thefts from fitness facilities and automobiles parked at daycare facilities. Our Police Department is taking an aggressive and proactive response to these incidents. We are asking for the public's assistance by increasing your awareness of your surroundings and making sure that you always keep your residences, automobiles, sheds, keys, and valuables locked and secure. We've all heard the saying, "If you see something, say something". I urge you to contact the Police Department immediately if you observe anything, or anyone, that appears in any way unusual or suspicious. Something that may seem insignificant to you at the time may actually be instrumental in assisting us to resolve these issues.

Thank you,

Chief Mark D. Roddy
