

Alert *Hanover*

Morris County has moved to a new emergency alert system called **AlertMorris**. In our town, it is called **AlertHanover**.

With **AlertHanover**, you can receive emergency alerts by email, text, phone, or whichever method of communication you prefer.

Sign Up for free at:

<https://www.smart911.com/smart911/registration/registrationLanding.action>

If you were a member of the County's old notification system, Everbridge, your information was forwarded to **AlertHanover**. However, we ask that you register again, to ensure you are in the new system.

Alerts on Social Media

Morris County's social media alert accounts on Facebook and Twitter, @MCUrgent, have also changed their names to @**AlertMorris**. You can get updates from OEM and multi-jurisdictional emergency alerts through your favorite social media platform!

If you've already signed up for @MCUrgent, there's nothing more to do – you'll see @**AlertMorris** in your Twitter and Facebook feeds. Otherwise, follow @**AlertMorris** today!

Also, Smart911

AlertHanover also automatically signs you and your family up with the potentially life-saving **Smart911**. **Smart911** is an important and free emergency 9-1-1 call component for those jurisdictions (including Morris County) whose 9-1-1 center utilizes this product.
