

NOTICE TO ALL RESIDENTS

REPLACEMENT POLICY FOR DAMAGED MAILBOXES

The Township of Hanover mailbox replacement policy is as follows: A mailbox damaged or destroyed beyond repair must be reported to the DPW at 973-428-2495 within 7 days after a snow storm.

The Township will perform the labor and erect a new wooden post and mailbox not to exceed \$75.00 dollars free of charge. If you have a mailbox system that is valued over \$75.00 dollars we will only reimburse you up to \$75.00 dollars.

This policy was established by the Township Committee as fair and reasonable for all Township residents and to minimize the expenditure of taxpayer dollars.

We appreciate your patience and understanding as the Township is making every effort to replace mailboxes as quickly as possible. Thank you, Joe Giorgio, Business Administrator.
