RE: 1993 SUBMISSION OF HAZARDOUS SUBSTANCE QUESTIONNAIRE

Dear Sir/ Madam:

In accordance with the Code of the Township of Hanover Chapter 162, it is unlawful for any person, corporation or partnership to store, use or handle hazardous substances within first completing a Hazardous Substance Questionnaire on an annual basis. For each New Year, a questionnaire will be sent to you for completion.

If your organization does not manufacture, process, form, package, release, use, dispose or store any hazardous substances as defined under Section 3 of Chapter 162 of the Code of the Township of Hanover, you will only be required to complete Part 1 of the form and return it within thirty (30) days of receipt of this questionnaire. You will not be required to pay any filing fees.

Any administrative questions concerning completion of the questionnaire may be directed to Kimberly Zagorksi, Health Officer, by calling and/or leaving a message at (973) 428-2484. Keep in mind, she should not be contacted for technical assistance or inquiries, that information should be obtained through the services of a private consultant.

A copy of Chapter 162 is enclosed in your package with the questionnaire.

In addition to returning the completed questionnaire to the Township, a copy must be sent to the Cedar Knolls Fire Department, PO Box 511, Cedar Knolls, NJ 07927 and to the Whippany Fire Department, 440 Route 10, Whippany, NJ 07981.

So that the Township and your organization are aware Chapter 162 and its requirements and more importantly, so that there is no misunderstanding as to whether or not your firm received our package, we are requesting that either a principal member of your firm or individual directly responsible for the completion of the questionnaire, execute both copies of the enclosed "RECEIPT OF ACCEPTANCE". One of the copies shall serve as your receipt.

The completion of this questionnaire will be valuable asset to our health and emergency personnel and may be of paramount importance in a life-threatening situation.

The Township Committee asks your cooperation and assistance in the proper completion of the questionnaire.

Very truly yours,

TOWNSHIP OF HANOVER

Joseph A. Giorgio, R.M.C.

§ 162-1. Title.

The short title of this chapter shall be the "Hazardous Substances Ordinance".

§ 162-2. Purpose.

The purpose of this chapter is to provide for the proper use, handling and storage of hazardous substances within the Township of Hanover and to provide for an effective enforcement system for the rules and regulations concerning the use, handling and storage of hazardous substances.

§ 163-3. Definitions.

As used in this chapter, the following terms shall have the meanings indicated:

ENFORCEMENT OFFICIAL - The Health Administrator/Environmental Specialist, the Sanitarian/Zoning Officer and members of the Hanover Township Police Department (Amended 6-12-86 by Ord. No. 21-86).

FACILITY - Any building or structure falling under the use group classifications of assembly, business, factory/ industrial, high hazard, institutional, mercantile and storage as defined in the BOCA Basic Building Code (1981 Edition) per Article 3, Sections 302.1, 303.1, 304.1, 305.1, 306.1, 307.1 and 309.1.

HAZARDOUS SUBSTANCES:

- A) A substance or combination of substances which, because of its quantity, concentration or physical, chemical or infectious characteristics may:
1. Cause, or significantly contribute to an increase in mortality or an increase in serious irreversible or incapacitating reversible illness; or
 2. Pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported or disposed of, or otherwise managed.

- B) All substances defined under N.J.A.C.7:1E-1.3 (j) and listed in Appendix A of N.J.A.C. 7:1E01.3 (j), entitled, " List of Hazardous Substances" promulgated April 28, 1982 by the New Jersey Department of Environmental Protection, a copy of which is on file with the Township Clerk and which is incorporated herein by reference.
- C) Petroleum and petroleum products.
- D) All pesticides designated as prohibited, restricted or specially restricted pursuant to the New Jersey Pesticide Control Act of 1971 (N.J.S.A. 13:1F-1 et seq.) and N.J.A.C. 7:30-1.5 through 1.7.
- E) Substances designated as hazardous substances by the Federal Environmental Protection Agency, pursuant to Section 311(b)(2)(A) of the Federal Water Pollution Control Act Amendments of 1972, as amended by the Clean Water Act of 1977, 33 U.S.C. §1321.
- F) Substances designated as toxic pollutants by congress for the Environmental Protection Agency, pursuant to Section 307 of the Federal Pollution Act Amendments of 1972 as amended by the Clean Water Act of 1977, 33 U.S.C. §1317.
- G) Any other substance listed in Appendix A.
- H) Any substance defined as a hazardous substance in Section 101(14) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA): hazardous wastes adopted by the United States Environmental Protection Agency pursuant to section 3001 of the Resource Conservation and Recovery Act of 1976 (RCRA). **[Added 6-12-86 by Ord. No. 21-86]**

HAZARDOUS SUBSTANCE QUESTIONNAIRE AND ANY AMENDMENTS, MODIFICATIONS AND SUPPLEMENTS THERETO - A questionnaire form prepared by and made available form the Township of Hanover's Department of Administration in cooperation with the Hanover Township Board of Health.**[Amended 6-12-86 by Ord. No. 21-86]**

§ 162-4. Standards adopted by reference [Amended 6-12-86 by Ord. No. 21-86]

Hazardous substances shall only be used, stored or handled pursuant to and in accordance with the codes known as the "B.O.C.A. Basic Fire Prevention Code (1981)", the "Life Safety Code N.F.P.A. 101 (1981)" and the "Resource Conservation and Recovery Act of 1976 (RCRA)" of which codes, not less then three (3) copies have been and are filled in the office of the Clerk of the Township of Hanover, the office of the Construction Code Official of the Township of Hanover and the office of the Board of Health and the same are hereby adopted and incorporated as if fully set forth at length.

§ 162-5. Reporting requirements. [Amended 6-12-86 by Ord. No. 21-86; 12-10-87 by Ord. No. 35-87]

It shall be unlawful for any person, corporation or partnership to store, use or handle hazardous substances within or surrounding a facility located within the Township without first completing the hazardous substance questionnaire on an annual basis. The term "facility" is defined pursuant to Section 162-3 of this chapter. The questionnaire form shall be mailed by the Department of Administration to all persons, corporations or partnerships, which are affected by the provisions of this chapter. It shall be the responsibility of all persons, corporations or partnerships completing the application form to return the form and the annual application fee within thirty (30) days from the receipt of the application packet.

§ 162-6. Right of entry by enforcement officials. [Added 6-12-86 by Ord. No. 21-86]

- A) The facility landowner or lessee, their agents or other persons with legal authority of a facility which uses, stores or handles hazardous substances shall allow any authorized representative(s), as referred to under section 162-3 of this chapter, upon the presentation of credentials and other documents as may be required by law, to:
- (1) Enter upon the premises where hazardous materials exist or might be located or records required are kept, for purposes of inspection, sampling, copying or photographing. Photography shall be allowed only as related to this chapter.
 - (2) Have access to any copy, at reasonable times, of any records that must be kept under the conditions of this chapter.
 - (3) Inspect, at reasonable times, any facilities, equipment (including monitoring and control equipment), practices or operations regulated or required by this chapter
 - (4) Sample or monitor, at reasonable times, for the purpose of assuring ordinance compliance.
- B) Any refusal by the facility landowner(s), facility lessee(s), their agents or any other person(s) with legal authority to allow entry to the authorized representatives shall be in violation of this chapter.
- C) The facility landowner(s), facility lessee(s), their agents or any other person(s) with legal authority waives all rights to prevent inspections by authorized representatives to determine the extent of compliance with any and all conditions of this chapter and agrees not to, in any manner, seek to charge said representatives the civil or criminal act of trespass when they enter the premises, occupied by the permittee in accordance with the provisions of the authorization as set forth hereinabove.

§ 162-7. Forms required for new construction.

It shall be the responsibility of any person, corporation or partnership responsible for new construction, as defined pursuant to section 162-3 of this chapter, to file a completed questionnaire form with the township in the manner prescribed under section 162-5.

§ 162-8. Annual filing of questionnaire; fees.[Amended 6-12-86 by Ord. No. 21/86]

- A) It shall be the responsibility of any person, corporation or partnership, which stores hazardous substances to file a completed questionnaire form and fee with the township on an annual basis. The date on which the questionnaire is first completed shall serve as the anniversary date for subsequent filings. Said questionnaire form shall be completed within thirty (30) days from the date of receipt. The annual filing fees for the storage of substances pursuant to the provisions of this chapter shall be as provided in Chapter 125, Fees, of the Code of the Township of Hanover. [Amended 12-10-87 by Ord. No. 35-87¹]
- B) The annual fees shall be payable to the Township of Hanover by check or money order and shall accompany the annual questionnaire form, which shall be returned to the township's Department of Administration.

§ 162-9. Changes in storage, use or handling. [Amended 6-12-86 by Ord. No. 21-86]

Any time that any person, corporation or partnership which stores hazardous substances changes the reported maximum volume or the type of hazardous substance or the method of handling or storing said hazardous material, the Health Administration/Environmental Specialist shall be notified by telephone within twenty-four (24) hours of the change. In addition, a new hazardous substances questionnaire shall be completed with the payment of a revised storage fee, which shall reflect the difference between the original fee and the new fee required in accordance with the fee schedule as provided for in section The revised questionnaire form and fee shall be filed with the Department of Administration within seven (7) days from the date of telephone notification to the Health Administrator/Environmental Specialist.

§ 162-10. Administration: copies of questionnaire. [Amended 6-12-86 by Ord. No. 21-86]

It shall be the responsibility of the township's Department of Administration to coordinate the implementation and administration of the chapter. The Department of Administration shall serve as the central repository for the completed questionnaires. It shall be the responsibility of said Department to provide copies to the following departments and agencies:

¹ Editor's Note: Amended at time of adoption of Code; see Ch. 1, General Provision, Art. 1.

- Bureau of Fire Prevention Inspectors, District 2 and 3
- a. Police Department
 - b. Board of Health
 - c. Office of Emergency Management Services
 - d. Hanover Sewerage Authority
 - e. Construction Code Official

§ 162-11. Waiver of filing fee. [Added 12-10-87 by Ord. No. 35-87]

The annual filing fee for storage of substances pursuant to the provisions of this chapter shall be waived for the following types of facilities:

- a. A hospital
- b. A church
- c. A school not operated for profit
- d. Any organization, society or group which is nonprofit

§ 162-12. Items to be included in inventory. [Added 12-10-87 by Ord. No. 35-87]

It is not necessary to include materials into the inventory which are purchased in normal retail quantities, packaged in consumer packaging and used for the normal operation and maintenance of the offices, buildings and grounds at a facility (e.g. touch-up paints, fire extinguishers, cleaners and office and janitorial supplies). Materials received in bulk, rather than retail, packaging (e.g. certain dyes, solvents or pesticides) shall be listed.

§162.13. Recovery of costs for reinspection. [Added 12-10-87 by Ord. No. 35-87¹]

Whenever additional inspections of a facility defined herein are necessitated by reason of an unsatisfactory initial inspection, the facility landowner(s), facility lessee(s), their agents or any other person with legal authority shall be assessed and the Township of Hanover reimbursed for the cost of such an inspection at a rate per hour or part thereof as provided in Chapter 125, Fees, of the Code of the Township of Hanover. These costs may be made a lien and special assessment against the parcel of land on which the business is located, but implementation of such an assessment procedure shall not be the exclusive remedy of the township for recovery of such costs.

§162.14. Notification of intent to cease business. [Added 12-10-87 by Ord. No. 35-87]

Whenever a business that handles hazardous substances intends to cease or ceases doing business at a location, the business shall immediately notify the Township of Hanover Health Department.

¹ Editor's Note: Amended at time of adoption of Code; see Ch. 1, General Provision, Art. 1.

§162.15. Public disclosure. [Added 12-10-87 by Ord. No. 35-87]

Information provided in the hazardous substance questionnaire shall be deemed a public record subject to public inspection and copying, except where the information involved is a trade secret or is otherwise excepted under law from requirement of public disclosure.

§162.16. Trade secrets. [Added 12-10-87 by Ord. No. 35-87]

A. Identification.

- (1) If a business believes that the disclosure of information requested involves a trade secret, which the business wishes to protect from public disclosure, the business shall identify or list on an additional and separate page off the hazardous substance questionnaire, conspicuously marked or labeled as containing trade secret information, the hazardous substance or other information that it claims should be protected as a trade secret. The trade secret information shall not be as set forth in any other part of the application.
- (2) Within sixty (60) days of filing a hazardous substance questionnaire in which a business has claimed a trade secret, the business shall file with the township a written substantiation of the trade secret claim. It shall also file with the township a signed written agreement in a form acceptable to the Township Attorney which indemnifies the township for the township's litigation expenses and costs if any, and for any awards of damages and attorneys' fees arising out of litigation and resulting from a township refusal to disclose information claimed by the business to be a trade secret in the event such nondisclosure is found by a court of competent jurisdiction to be unwarranted.

B. Nondisclosure. Except as provided in Subsection C, E or G of this section, the Township shall not disclose any information that, in its hazardous substance questionnaire, a business indicates is, claims to be or seeks to protect as a trade secret.

C. Disclosure to public officers and employees. Trade secret information obtained by the township may be disclosed to an officer or employee of the Township of Hanover or other public entity, provided that such disclosure is in connection with the official duty of such officer or employee under any fire suppression, health, safety or environmental law. Trade secret information may be disclosed to township contractors and to their employees if, in the judgment of the Township Administrator, such disclosure is necessary for the performance of a contract with the township and to protect the health or safety of the employees of the contractor.

D. Acknowledgment of receipt. Recipients of trade secret information pursuant to Subsection C of this section must file with the township, at the time of receipt of such information, a completed, dated and signed written acknowledgment of receipt of said trade secret information. The acknowledgement shall state that

the individual signing it is aware of the confidentiality of the information received, the restrictions on its use and dissemination and the penalties for unlawful dissemination as set forth in this section.

E. Disclosure for medical purposes. Trade secret information may be disclosed to paramedic or medical doctor by the township when necessary for the purposes of treating a patient, so long as the paramedic or doctor is first advised that any disclosure of the information that is not necessary for the treatment of the patient would constitute a misdemeanor.

F. Penalty for unauthorized disclosure. A person in possession of trade secret information disclosed to the township pursuant to this section that knowingly makes further disclosure thereof to any person not entitled to receive such information is guilty of a misdemeanor.

G. Disclosure pursuant to Public Records Act.

(1) The township, upon receipt of a written request under the Public Records Act from any person for the disclosure of information which a business has notified the township it seeks to protect as a trade secret pursuant to Subsection A of this section, shall notify the business within two (2) working days by personal service or certified mail, return receipt requested, that a request for disclosure of trade secret information has been received by the township. The township shall also inform the business that it should immediately file the written substantiation of its claim of trade secret required by Subsection A of this section, it has not already done so, and any other relevant information it may wish to file with the township.

(2) Upon receipt of a request for disclosure of trade secret information, the township shall forward a copy of the request, together with any substantiation of the trade secret claim and the township's proposed determination to the Township Attorney for review and comment.

(3) Within ten (10) days after the receipt of a written request for disclosure of trade secret information, the township shall make a final determination whether or not to comply with the request and shall immediately notify both the person requesting the information and the business of such determination and the reasons therefore.

H. National defense classification. Information certified by an appropriate official of the United States as classified for national defense purposes shall be accorded whatever protection against disclosure is directed by such official as specified by applicable federal law.

§ 162.17. Recovery of costs for special inspections [Added 12-10-87 by Ord. No. 35-87]

- A. A nuisance exists where a business handles a hazardous substance that has not been disclosed as required by Section 162-5 of this chapter. If a business is not in compliance with the requirements of said Section 162-5, then the township may recover the costs of obtaining the necessary information concerning the handling of hazardous substances by the business, together with any administrative costs and fees, as a lien and special assessment against the parcel of land on which the business site is located.
- B. In the event that such nuisance exists, the enforcement official shall give notice to the on-site manager and the owner of the business, as well as the property owner, that the business must immediately file a completed hazardous substance questionnaire as required under section 162-5 of this chapter. The notice shall state that if the questionnaire is not so filed the enforcement official may conduct a special inspection or other action necessary to obtain the required information concerning the handling of hazardous substances at the business site, that the costs of obtaining such information, together with any administrative costs and fees, may become a special assessment against the parcel, and that, upon Township Committee confirmation of the assessment and recordation of such an order, a lien will be attached to the subject property to be collected on the next regular property tax bill.
- C. In the event that a hazardous substance questionnaire is not filed by the business as so required, the enforcement official may conduct a special investigation or other appropriate action necessary to obtain information concerning the handling of hazardous substances at the business site.

§ 162.18. Violations and penalties. [Amended 12-10-87 by Ord. No. 35-87²]

Any person, corporation, partnership or facility violating this chapter shall be subject, upon conviction in the Municipal Court, to a fine of not less than one thousand dollars (\$1,000) and/or imprisonment up to ninety (90) days or both. Each day that a particular violation continues shall constitute a separate violation.
