Substance Awareness Council

sponsored event

A story, both humorous and touching, that creates an honest conversation about tough issues like drugs, bullying, depression, and diversity.

What is DIRT:

Dirt is a one-man show that explores the challenges and decisions that young people face every day. Dirt gets to the heart of issues related to drugs, bullying, and self esteem in a manner that resonates with audiences in a real and meaningful way.

The purpose of the program is to assist parents/caretakers to empower children in making healthy and responsible choices. Children will be shown the impact they have on every individual they meet.
